K Conclusion

144 for the above reasons, we have come to the conclusion that The challenge to the constitutional validity of the Reservation Act 2018 in lacking in substance. Following the decision in BKPavitra I, the State government duly carried out the exercise of Collating and analysing data on the compelling factors adverted to by the constitution Bench in Nagaraj. The Reservation Act 2018 has cured the deficiency which was noticed by BK Pavitra IIn respect of the Reservation Act 2002. The Reservation Act 2018 Does not amount to a usurpation of judicial power by the State Legislature. It is Nagaraj and Jarnail complaint. The Reservation Act 2018 is a valid exercise of the enabling power conferred by Article 16 (4A) of the Constitution.

145 We therefore find no merit in the batch of writ petitions as the constitutional validity of the Reservation Act 2018 has beenUpheld. They shall stand dismissed. Accordingly, the review Petitions and miscellaneous applications shall also stand dismissed in view of the judgement in the present case. ThereShall be no order as to costs. All pending applications are disposed of."

commission of the forest offence, which are liable to forfeiture, should not be released. This, however, does not debar the officers and the authorities under the Act incuding the Appellate Authority to pass appropriate orders under the circumstances of each case but only after assigning valid reasons. The liberal approach in the matter would perpetuate the commission of more offences with respect to the forest and its produce which, if not protected, is surely to affect the mother-earth and the atmosphere surrounding it. The courts cannot shut their eyes and ignore their obligations indicated in the Act enacted for the purposes of protecting and safeguarding both the forests and their produce.

Generally, therefore, any forest produce and the tools, boats, vehicles, cattles, etc; used in the commission of the forest offence, which are liable to forfeiture, should not be released. This, however, does not debar the officers and the authorities under the Act incuding the Appellate Authority to pass appropriate orders under the circumstances of each case but only after assigning valid reasons. The liberal approach in the matter would perpetuate the commission of more offences with respect to the forest and its produce which, if not protected, is surely to affect the mother-earth and the atmosphere surrounding it. The courts cannot shut their eyes and ignore their obligations indicated in the Act enacted for the purposes of protecting and safeguarding both the forests and their produce.

K Conclusion

144 for the above reasons, we have come to the conclusion that The challenge to the constitutional validity of the Reservation Act 2018 in lacking in substance. Following the decision in BK Pavitra I, the State government duly carried out the exercise of Collating and analysing data on the compelling factors adverted to by the constitution Bench in Nagaraj. The Reservation Act 2018 has cured the deficiency which was noticed by BK Pavitra I In respect of the Reservation Act 2002. The Reservation Act 2018 Does not amount to a usurpation of judicial power by the State Legislature. It is Nagaraj and Jarnail complaint. The Reservation Act 2018 is a valid exercise of the enabling power conferred by Article 16 (4A) of the Constitution.

145 We therefore find no merit in the batch of writ petitions as the constitutional validity of the Reservation Act 2018 has been Upheld. They shall stand dismissed. Accordingly, the review Petitions and miscellaneous applications shall also stand dismissed in view of the judgement in the present case. There Shall be no order as to costs. All pending applications are disposed of."

K Conclusion

144 for the above reasons, we have come to the conclusion that The challenge to the constitutional validity of the Reservation Act 2018 in lacking in substance. Following the decision in B K Pavitra I, the State government duly carried out the exercise of Collating and analysing data on the compelling factors adverted to by the constitution Bench in Nagaraj. The Reservation Act, 2018 has cured the deficiency which was noticed by BK Pavitra I In respect of the Reservation Act 2002. The Reservation Act 2018 Does not amount to a usurpation of judicial power by the State Legislature. It is Nagaraj and Jarnail complaint. The Reservation Act 2018 is a valid exercise of the enabling power conferred by Article 16 (4A) of the Constitution.

145 We therefore find no merit in the batch of writ petitions as the constitutional validity of the Reservation Act 2018 has been Upheld. They shall stand dismissed. Accordingly, the review Petitions and miscellaneous applications shall also stand dismissed in view of the judgement in the present case. There Shall be no order as to costs. All pending applications are disposed of."

K Conclusion

> “144 for the above reasons, we have come to the conclusion that The challenge to the constitutional validity of the Reservation Act 2018 in lacking in substance. Following the decision in B K Pavitra I, the State Government duly carried out the exercise of Collating and analysing data on the compelling factors adverted to by the constitution Bench in Nagaraj. The Reservation Act, 2018 has cured the deficiency which was noticed by BK Pavitra I In respect of the Reservation Act 2002. The Reservation Act 2018 Does not amount to a usurpation of judicial power by the State Legislature. It is Nagaraj and Jarnail complaint. The Reservation Act 2018 is a valid exercise of the enabling power conferred by Article 16 (4A) of the Constitution.145 We therefore find no merit in the batch of writ petitions as the constitutional validity of the Reservation Act 2018 has been Upheld. They shall stand dismissed. Accordingly, the review Petitions and miscellaneous applications shall also stand dismissed in view of the judgement in the present case. There Shall be no order as to costs. All pending applications are disposed of.”

K Conclusion

144 for the above reasons, we have come to the conclusion thatThe challenge to the constitutional validity of the Reservation Act 2018 in lacking in substance. Following the decision in BK Pavitra I, the State government duly carried out the exercise of Collating and analysing data on the compelling factors adverted to by the constitution Bench in Nagaraj. The Reservation Act 2018 has cured the deficiency which was noticed by BK Pavitra I In respect ofthe Reservation Act 2002. The Reservation Act 2018 Does not amount to a usurpation of judicial power by the State Legislature. It is Nagaraj and Jarnail complaint. The Reservation Act 2018 is a valid exercise of the enabling power conferred by Article 16 (4A) of the Constitution.

145 We therefore find no merit in the batch of writ petitions as the constitutional validity of the Reservation Act 2018 has been Upheld. They shall stand dismissed. Accordingly, the review Petitions and miscellaneous applications shall also stand dismissed in view of the judgement in the present case. There Shall be no order as to costs. All pending applications are disposed of."
